JUNIOR LEAGUE OF EL PASO

Mission Statement

The Junior League of El Paso, Inc. is an organization of women committed to promoting volunteerism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

Vision Statement

The Junior League of El Paso, Inc. will strive to proactively meet critical needs of El Paso community either by initiating or collaborating with community groups on positive solutions. Volunteer and financial support will primarily concentrate on projects with high impact and/or high visibility, providing members with a meaningful and rewarding League experience, complementing their professional and personal lives. The organization welcomes women who exemplify a commitment to voluntarism and provides training enabling them to reach their full potential as individuals and community leaders.

STORYTELLERS

At Storytellers, incredible singers/songwriters of some of Country music's most famous and beloved songs, share the stories behind their music and then perform their songs in an intimate, acoustical setting. This is an amazing opportunity to hear the meaning, personalities, and stories behind the music straight from the songwriters. Knowing those stories, you'll never hear the music quite the same way again.

Money raised at this event will be invested into the Junior League of El Paso Endowment Fund Development, and will be used solely to sustain, expand, and initiate the amazing programs and community projects presented by the Junior League of El Paso, Inc. in perpetuity.

A portion of the ticket price to this event may be deductible for income tax purposes.
